To Noah, my first son. I love you.

Every night, Noah's dad would read him a bedtime story. Both enjoyed in bed the stories that made them imagine and think.

Cada noche, el papá de Noah le leía un cuento antes de dormir. Ambos disfrutaban en la cama las historias que les hacían imaginar y pensar.

# NOAH learns to appreciate

Noah aprende a apreciar

This is the first book from the 'Noah' series, a thoughtful and educational collection of children's stories that teaches kids about all kinds of real life situations. Children can feel inspired by Noah's experiences and learn valuable life lessons.

From having no interest at all in paying attention to the things around him, Noah learns to appreciate his surroundings more than ever. A sweet and uplifting story for talking to children about appreciating what life has to offer.
